Palisades Dr. Traffic Signal

We continue to need YOUR help in assisting SYRC in convincing LADOT that the intersection of Palisades Drive and Palisades Circle NEEDS to be made safer by having a traffic signal/device and crosswalk placed here.

Please talk with your neighbors and have ANY person(s) from ANY association who experience ANY incident at this intersection file a report with LAPD, as this information is used as part of the assessment to upgrade the intersection.

Please forward to syrkdir@gmail.com any videos of excessive speeding seen, dash cam video's, dangerous pedestrian crossings, accidents witnessed, etc., and SYRC will forward them to LADOT.

With the collaboration of SYRC and local residents, we should continue our effort to work with the city to come up with a solution for a safer intersection.
